爱好 interests

本人兴趣广泛，酷爱哲学、文学、宗教、音乐，曾在辽宁大学，北京大学选修过多门中外哲学，文学课程。对中西方主要经典非常感兴趣。由于导演一部纪录片的需要，近年来与国内外艺术家广泛交流。

I have a wide range of interests, including a love for philosophy, literature, religious studies and music. At both Liaoning and Beijing Universities I participated in numerous literature as well as Chinese and Western philosophy courses, and I enjoy studying both Chinese and Western classics. Most recently I have embarked upon a series of interviews with Chinese and foreign artists for the creation of my first documentary video.
